KDSB congratulates returning Board Chair and new Board Vice-Chair

The Kenora District Services Board (KDSB) Board of Directors held its election for KDSB's Board Chair and Board Vice-Chair at its regular January 21, 2021 meeting.

The KDSB and the Board of Directors congratulate the continuation of Lake of the Woods Unincorporated representative, Barry Baltessen, in his reappointment as KDSB's Board Chair and Ignace's representative, Mayor Penny Lucas, in her newly appointed role of KDSB Board Vice-Chair.

The KDSB is very pleased with the returning appointment of Barry Baltessen as Board Chair; through his ongoing experience with KDSB's Board, Barry will continue to provide strong leadership, knowledge of our strategy, and skillset in Board governance. Penny Lucas will bring a valuable perspective as KDSB continues to execute its organization's planning and implementation. On behalf of KDSB and the Board of Directors, the KDSB thanks outgoing Board Vice-Chair, Mark Sobchuk for this valuable insight, commitment, and dedication during his time in the role.

The KDSB Board will hold its next regular Board meeting on February 18, 2021.
