## What is Housing Services?

Housing Services is housing in which the government (subsidizes) or helps you pay your rent. Housing Services is intended for households with low to moderate incomes, who may be unable to find suitable, affordable housing. Housing Services is not emergency housing. In most cases throughout the KDSB there is a waitlist for subsidized housing units. You must first submit an application for Housing Services. If you are eligible for Housing Services, your name will be placed chronologically on the wait list until a vacant unit becomes available and offered to you.

There are three types of subsidized housing providers: **Non-Profit Housing** is owned and managed by community based organizations. **Public Housing** is owned and operated by Kenora District Services Board. **Rent Supplement Program** – KDSB has entered into agreements with private rental landlords for units to be rented on a rent-g geared-to-income basis to qualified applicants.

## What is RGI Rent?

RGI is rent-g geared-to-income and is provided by KDSB and housing providers located throughout the district. In a subsidized unit, your portion of the rent is **30% of your gross household monthly income**. If you are accessing social assistance, rent is calculated based on OW/ODSP Rent Scale.

## What is Market Rent?

Also known as a “fair market rent”, market rent is the maximum amount a property can be rented for. The market rent is often set in accordance with the current market value. These rent amounts are established by community throughout the province on a yearly basis. There are different market rent amounts depending on the size of the unit. The availability of market rent units through our wait list is limited.

## Who can apply for Housing Services?

You can apply if you can verify:

- You are at least 16 years old.
- You have the ability to live independently
- You and all members of the household are legal residents of Canada or refugee claimants.
- You and all members of the household do not owe money to a Housing Services Provider.
- You and all members of the household are not currently under an order of deportation, departure or exclusion to leave Canada.

## **I require a handicap unit due to a disability. How do I apply for one?**

There are **limited** social housing providers that have wheelchair accessible units or units which are equipped with certain features for individuals with a handicap. If you require a handicap unit, please ensure you indicate this in the appropriate section of the application form and provide medical documentation from your physician to support the claim. You will be placed on the wait list accordingly for the next available handicap unit.

## **My situation/information has changed since my last application. What should I do?**

You are required to report all changes to your application information within 10 days. Examples of changes could be, but are not limited to:

- Changes to address, phone number or message/contact number
- Changes in your household income
- Changes in family/household size

KDSB will also contact you by mail or phone approximately once per year to review your application/file for continued eligibility.

**NOTE:** Your name will be removed from the wait list if we cannot contact you or if you do not respond to our requests. Please ensure you keep your contact information up to date. You can do so by contacting the KDSB to notify them of your changes.

**If you no longer want subsidized housing, please contact the KDSB office and you will be removed from the waitlist.**

**PLEASE REMEMBER TO PROVIDE A PERSON NAME AND PHONE NUMBER TO CONTACT IN YOUR ABSENCE.**

## **I am currently involved in an abusive relationship with the person I live with. How will this affect my application for Housing Services?**

If you are currently experiencing abuse from a person that you live with and need to move due to this abuse, you should apply for the Special Priority along with your application for Housing Services. In order to qualify for the special priority, you must complete a [Request for Special Priority Form](#) which is available from a local Kenora District Services Board office. You are also required to provide written, supporting documentation from a professional to verify your situation. This documentation must state that a member of your household has been:

- Subject to abuse from another individual
- The abusing individual resides with the abused member
- The abused member intends to permanently live apart from the abuser

If you have already separated from the abuser, you must apply for special priority status within three months from the date of separation.

**NOTE:** Special Priority rent-geared-to-income household member(s) are not required to pursue specified incomes if the pursuit of the income will place the member(s)'s personal safety at risk.

### **Can I choose where I want to live?**

Yes. You must indicate your choice of locations on the application form in order for your application to be considered complete. You are able to choose more than one location. Your name will be added to the wait list for each location of which you are eligible.

If at any time, you wish to update or change your requested locations, please complete a Housing Services Project Listing-Update Form. This form must be completed and forward to KDSB in order to update your file.

### **Can I choose the size of unit I want?**

The size of unit (number of bedrooms) that you are offered will be determined by the size and composition of your household, according to the KDSB Local Occupancy Standards. To summarize the KDSB Local Occupancy Standards states the largest unit a household may be eligible for is as follows:

- One bedroom for spouses and same-sex partners
- One bedroom for each additional member of the household, and
- One additional bedroom under the following specific circumstances:
  - a. a spouse requires a separate bedroom due to a disability or medical condition
  - b. a bedroom is required to store medical equipment
  - c. a bedroom is required to accommodate an individual who provides medical care to a member of the household
  - d. a member of the household is pregnant
  - e. a member has joint custody of a child who needs overnight accommodations

### **How will I be contacted when a unit becomes available? What happens next?**

All offers for Housing Services are done by mail or phone and require your immediate response. It is very important that you communicate all contact information changes with KDSB as they occur. If you do not respond to an offer, the offer will be treated as a decline.

You have the option to accept or refuse a unit offered to you. Once you accept the unit of your choice, KDSB will calculate the amount of rent you will be required to pay. You will only be given a key to your residence once you have completed the signing of the lease and the provided payment of your first month's rent.

**NOTE:** Your **third** refusal of a rent-geared-to-income unit offer will result in your application being cancelled. Your name will also be removed from the waiting list. In the event of a future reapplication, you will be placed at the bottom of the wait list.

**I am currently on the wait list for Housing Services. How long will I have to wait?**

Your rank on the wait list primarily depends on the date your completed application was received. You will be offered a suitable unit as soon as one becomes available. The length of waiting time varies with each location and unit. Some locations have longer wait lists than others which simply translates to a higher demand for that specific location and unit. Some locations have shorter wait lists. Your patience is appreciated during the waiting period.

**I have an application on file but I would like to add individual(s) onto my application. Do I have to do a new application?**

Yes, you need to complete a new application but remember to mark in the box that this is an “ADD ON Application”. We will keep your original application date on the waitlist.

**Am I able to smoke in my unit?**

Effective February 15, 2019, there will be no smoking permitted in any of Kenora District Services Board’s housing properties. This means that tenants and their visitors or guests will not be permitted to smoke in any of the rental units, on balconies or patios, common areas or anywhere else on the property. The smoke-free policy states that smoking or holding of any combustible or product that generates smoke or vapour (cigarettes, pipes, cigars, joints, vaping etc.) in the rental unit or on the residential property is prohibited. Cultural use of tobacco and medicinal cannabis will be the only exemptions to the smoke-free clause. Each property will have a designated outdoor area where smoking is permissible.
